CANCELLATION POLICY

For appointments cancelled on the same day as the appointment, Fit Acupuncture Centers will charge a **\$40 cancellation fee** unless the appointment time is filled by another patient.

If the cancellation is made within one (1) hour of the appointment, or the patient is **“no show, no call”**, the patient will be charged the **full session price**.

For appointments booked the same day, patients are allowed a one (1) hour grace period to cancel their appointment without charge. Thereafter, same day cancellation policy rules apply.
